AAUW minutes  
Sunnehanna Country Club

Since this was a "social event," no formal minutes were taken.

The proposed by-laws on a motion of Judi Papinou and a second from Martha Banda passed with an unanimous vote.

However, the President mentioned that the nominating committee was having difficulty finding candidates for the Presidency. She told the group that since we had just passed the by-laws limiting terms to no more than 6 years, we could elect co-officers. We need volunteers.

After observing a short presentation by Barbara Zaborowski, monies allocated for the freedom train will be given to PA Highland College for their reading summer program on a motion made by Rose Mary Hagadus and seconded by Dottie Glass.

The President wished everyone a Happy, safe Holiday.

Respectfully submitted,  
Marilyn Sandusky
